**Company profile:** The main activity of IS4B AG is the implementation and distribution of software for customer relationship management. IS4B AG buys shares in companies that distribute their products, and also produces the product IS4B virtual Office at several manufacturing locations. In 1999 – 2004, the products IS4B virtual Office and IS4B Billing Services were defined as the focus of marketing activities. By concentrating efforts in these two products, which integrate all applications from the areas of sales & marketing, telesales, customer care and billing, IS4B has created a solid foundation to grow its business in the next millennium.
