Company profile: TOPCALL is a worldwide provider of mission-critical Unified Communication (UC) solutions. These communication solutions allow customers to use their existing IT environments (such as ERP and CRM systems) more effectively, to streamline or accelerate business processes and to achieve better results and a rapid return on investment.

TOPCALL has been operating in this business segment for 25 years and counts most of the Fortune 500 companies among its customers. Based on this experience, the company has the ability to integrate all types of media into all IT environments, thereby optimising business processes through communication. To date, TOPCALL has implemented over 4,000 UC solutions worldwide, for which it offers global support and consulting services. TOPCALL maintains a global presence through 24 offices and 18 dedicated distributors.
